PROXY STATEMENT

Annual Meeting of Stockholders
Friday, November 12, 2004

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Reading International, Inc. (“RII” or the “Company” and, collectively with its consolidated subsidiaries and corporate predecessors, “Reading”), of proxies for use at our upcoming Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Friday, November 12, 2004, at 11:00 a.m., at the Four Seasons Hotel Los Angeles at Beverly Hills, 300 South Doheny Drive, Los Angeles, California, 90048, and at any adjournment or postponement thereof. Please sign, date and return the enclosed proxy card in order to ensure that your shares are represented at our meeting.

At our Annual Meeting, you will be asked to elect eight directors to the Board of Directors to serve until the 2005 Annual Meeting of Stockholders.

As of the Record Date, Mr. James J. Cotter, our Chairman and Chief Executive Officer, owns directly or indirectly, 1,023,888 shares of our Class B Voting common stock. Mr. Cotter’s holdings represent more than 50% of the outstanding voting power of our Company. Accordingly, Mr. Cotter has the power, acting alone and without the support or approval of any of our other stockholders, to elect the individuals currently nominated for election to our Board of Directors at our upcoming Annual Meeting and to defeat the election of any other individuals who might be nominated. Mr. Cotter has advised us that he intends to vote in favor of each of our Board’s nominees for election at that meeting.

Our Company is the survivor of a consolidation completed at the end of 2001, and referred to in this proxy statement as the “Consolidation,” of RII (then known as Citadel Holding Corporation (“CHC”)), Craig Corporation (“CRG”) and Reading Entertainment, Inc (“REI”). Certain of the information included in this proxy statements relates to periods prior to the Consolidation, as indicated by references to CHC, CRG and/or REI in connection with that information. In the Consolidation, our Company changed its name from Citadel Holding Corporation to Reading International, Inc. CRG and REI still exist as wholly owned subsidiaries of our Company.

VOTING AND PROXIES

Shares represented by properly executed proxies received by us will be voted at the Annual Meeting in the manner specified therein or, if no instructions are marked on the enclosed proxy card, will be voted “FOR” each of the nominees for director. Although we do not know of any other matter to be acted upon at the Annual Meeting, shares represented by valid proxies will be voted in accordance with the judgment of the individuals indicated on the proxy card with respect to any other matters that may properly come before the Annual Meeting.

Execution of a proxy will not in any way affect your right to attend the Annual Meeting and vote in person, and you have the right to revoke your proxy at any time before it is exercised by:

- filing with our Corporate Secretary, prior to the commencement of the Annual Meeting, a duly executed instrument dated subsequent to such proxy revoking the same or a duly executed proxy bearing a later date; or
- attending the Annual Meeting and voting in person.

In addition to the solicitation by mail, our employees may solicit proxies in person or by telephone but no additional compensation will be paid to them for such services. The Company will bear all costs of soliciting proxies on behalf of our Board of Directors and will reimburse persons holding shares in their own names or in the names of their nominees, but not owning such shares beneficially, for the expenses of forwarding solicitation materials to the beneficial owners.

Only the stockholders of record of our Class B Voting common stock, \$0.01 par value (the “Class B Voting Stock”), at the close of business on October 8, 2004, the Record Date, are entitled to notice of and to vote at our Annual Meeting or any adjournment or postponement thereof. On that date, there were 1,982,414 shares of Class B Voting Stock outstanding. Our stockholders are entitled to one vote for each share of Class B Voting Stock held of record. Holders of record of our Class A nonvoting common stock, \$0.01 par value (the “Class A Nonvoting Stock”), are being sent this Proxy Statement for their information and are invited to attend our Annual Meeting, but will have no voting rights.

The presence, in person or by proxy, of the holders of shares of stock entitling them to cast a majority of the votes entitled to be cast at our Annual Meeting will constitute a quorum. Abstentions will be counted for purposes of determining the presence of a quorum, as will broker non-votes, provided authority is given to attend the meeting or to vote on any matter to come before the meeting. Directors are elected by a plurality vote, so abstentions and broker non-votes will not affect the outcome of the election of directors.

Attendance at Board and Committee Meetings

During the year ended December 31, 2003, the Board of Directors held 5 Board meetings. Each director attended at least 75% of the meetings of the Board of Directors and all committees on which he or she served, during the period such individual was a director. The Audit and Conflicts Committee held 12 meetings in 2003. The Stock Options and Compensation Committee had 2 meetings during 2003. The Company has no standing nominating committee. Our Company's Board Committees are discussed in greater detail under the caption "**Board Committees,**" below.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our Company's officers, directors and persons who own more than 10% of the Company's Common Stock to file reports to ownership and changes in ownership with the SEC. The SEC rules also require such reporting persons to furnish the Company with a copy of all Section 16(a) forms they file.

Based solely on a review of the copies of the forms which the Company received and written representations from certain reporting persons, the Company believes that, during the fiscal year ended December 31, 2003, all filing requirements applicable to its reporting persons were complied with; except that the reports on Form 5 reporting option grants to three of our officers (Messrs. Tompkins and Smerling and Ms. Ellen Cotter) were filed on February 20, rather than on February 16, 2004 due to administrative oversight.

Indemnity Agreements

In 1990, our Board authorized our Company to enter into indemnity agreements with its then current directors and officers. Since that time, we have typically entered into indemnity agreements with our directors and senior officers. In 2001, our stockholders approved a new form of indemnity agreement, which has been used since that date to memorialize our Company's indemnity obligations. Under these agreements, our Company, generally speaking, has agreed to indemnify our directors and various of our senior officers against all expenses, liabilities and losses incurred in connection with any threatened, pending or contemplated action, suit or proceeding, whether civil or criminal, administrative or investigative, to which any such director or officer is a party or is threatened to be made a party, in any manner, based upon, arising from, relating to or by reason of the fact that such individual is, was, shall be or shall have been a director, officer employee, agent or fiduciary of our Company. Each of our current directors and senior officers, as well as certain of the directors and senior officers of our subsidiaries, currently has the benefit of such indemnity agreements.

Compensation of Directors

Directors who are not officers or employees of the Company received an annual retainer of \$25,000 for their services including attendance at meetings and service on Board committees. Only the Chairman of the Board and the Chairman of our Audit and Conflicts Committee receive additional compensation for their services. The Chairman of our Audit and Conflicts Committee received an annual retainer of \$27,000. The Chairman of the Board receives \$195,000 annually, which is included as part of his \$545,000 total annual compensation. In addition, upon joining the Board, directors who are not officers or employees of the Company receive 20,000 immediately vested options to purchase shares of our Class A Nonvoting Stock at an exercise price equal to the market price of the stock at the time of grant. Margaret Cotter has agreed to serve as a director of the Company without any additional consideration other than her stock options.

Board Committees and Corporate Governance

Our Board of Directors has standing Executive, Audit and Conflicts, and Compensation and Stock Options Committees. These committees are discussed in greater detail below. Our Board of Directors does not have a nominating committee. Typically, nominations are suggested to our Board of Directors by our Chairman and controlling stockholder, Mr. James J. Cotter.

Since Mr. Cotter owns a majority of our Class B Voting Stock, our Board of Directors has determined that the Company satisfies the criteria for a “Controlled Company” under Section 801 of Part 8 of the American Stock Exchange Company Guide. After reviewing the benefits and detriments of taking advantage of the exceptions to the Corporate Governance Rules set forth in Part 8, the Board of Directors unanimously determined to take advantage of all of the exceptions from Part 8 afforded to our Company as a Controlled Company under Section 801. This matter was discussed at the Directors meetings of February 27, 2004 and May 14, 2004, and all of our directors participated in this discussion.

Among the exceptions afforded to Controlled Companies is an exception from the requirement that we have an independent nominating committee or independent nominating process. It was noted by our Directors that the use of an independent nominating committee or independent nominating process would be of limited utility, in light of the fact that any nominee would need to be acceptable to Mr. James J. Cotter as our controlling stockholder and in light of the fact that under our governing documents and applicable Nevada Law, Mr. Cotter, acting in his capacity as a stockholder, can unilaterally nominate and elect candidates to our Board of Directors at our annual meeting or any other meeting where our directors are to be elected. Mr. Cotter has advised our directors that he prefers to be actively involved in the identification and selection of Board nominees, and he believes that it would be in the best interests of our Company and stockholders if we continued to treat the nomination process in the same way as in prior periods.

Our Board of Directors does not have a formal written policy with respect to the consideration of director candidates recommended by our stockholders since, in the view of our Board, there has been no compelling reason to put any formal policy in place. No stockholder has, in more than the past ten years, made any proposal or recommendation to the Board as to potential nominees, nor has Mr. Cotter ever proposed, in the time he has been our principal or controlling stockholder, any nominee that our remaining directors have found to be unacceptable. Furthermore, neither our governing documents nor applicable Nevada law place any restriction on the nomination of candidates for election to our Board of Directors directly by our stockholders. Accordingly, our Directors are currently of the view that in light of (i) the fact that our Company is a “Controlled Company” under applicable American Stock Exchange

criteria and exempted from the American Stock Exchange requirements for an independent nominating process, and (ii) the fact that neither our governing documents nor Nevada law place any limitation upon the direct nomination of director candidates by our stockholders, that the current system suitably addresses the needs of our Company and our stockholders and that little if anything would be gained by adopting a formal policy with respect to such matters at this time.

Our Board of Directors will, as it has traditionally advised our stockholder in our proxy materials each year, consider nominations from our stockholders, provided written notice delivered to the Secretary of our Company at our Company's principal executive offices not less than 120 days prior to the first anniversary of the immediately preceding annual meeting of our stockholders at which directors are elected, or such earlier date as may be reasonable in the event that our annual stockholders meeting is moved forward. As we currently anticipate that our 2005 Annual Meeting of Stockholders will be held not later than May 31, 2005, stockholders wishing to recommend potential nominees should plan to identify such candidates to us before the end of January 2005. Such written notice must set forth the name, age, address and principal occupation or employment of such nominee, the number of shares of our Company's common stock beneficially owned by such nominee and such other information as is required by the proxy rules of the SEC with respect to a nominee of our Board of Directors.

Alternatively, under our governing documents and applicable Nevada Law, nominations may be made directly by stockholders from the floor of any meeting at which directors are to be elected. See also, the material set forth below under the caption "**Stockholder Proposals and Director Nominations.**"

Our directors have not adopted any formal criteria with respect to the qualifications required to be a director or the particular skills that should be represented on our Board of Directors, other than the need to have at least one Director and member of our Audit and Compensation Committee who qualifies as an "audit committee financial expert," and has not historically retained any third party to identify or evaluate or to assist in identifying or evaluating potential nominees.

All of the current nominees were recommended to the Board by Mr. Cotter. No other recommendations were received by us with respect to possible nominees to our Board of Directors.

Executive Committee

Our Company has a standing Executive Committee comprised of Messrs. Cotter, Laheney and Villaseñor that is authorized, to the fullest extent permitted by Nevada law, to take action on matters between meetings of the full Board of Directors. In recent years, this committee has not been used, and with the exception of matters delegated to the Audit and Conflicts Committee or the Compensation and Stock Options Committee, all matters requiring Board approval have been considered by the entire Board of Directors.

Audit and Conflicts Committee; Audit Committee Report

Our Board of Directors maintains a standing Audit and Conflicts Committee, referred to herein as the Audit Committee. The Audit Committee operates under a Charter adopted by the Board of Directors, a copy of which is on file with the Securities and Exchange Commission. Our Board of Directors has determined that the Audit Committee is comprised entirely of independent directors, (as independence is defined in Sections 121(A) and 803 of the American Stock Exchange Company Guide), and that Mr. Barr, the Chairman of our Audit Committee, is qualified as an Audit Committee Financial Expert. With

respect to our fiscal year ended December 31, 2003, our Audit and Conflicts Committee comprised of Directors Barr, Villaseñor, and William C. Soady.

Set forth below is the Audit Committee Report.

The Audit Committee has reported, with respect to the Company's fiscal year ended December 31, 2003 that:

- The Audit Committee has reviewed and discussed the audited financial statements with management;
- The Audit Committee has discussed with the independent auditors the matters require to be discussed by SAS 61 (Codification of Statements on auditing Standards, AU Section 380), as currently in effect at the date of the report; and
- The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as currently in effect at the date of the report;

Compensation and Stock Options Committee; Report on Executive Compensation

Our Company has a standing Compensation and Stock Options Committee, which, with respect to our fiscal year ended December 31, 2003, was comprised of Directors Villaseñor (Chairman), Laheney and William C. Soady.

Set forth below is the Compensation Committee Report.

Our Company's executive compensation policies and programs are designed, in the view of the Compensation Committee, to attract and retain talented executives and to motivate them to achieve the Company's business objectives that the Board of Directors believes will enhance stockholder value. The principal terms of the Company's current employment arrangements with its principal executive officers, including salary and other base-level compensation, are described herein under "Summary Compensation Table."

Prior to the Consolidation, our Company, CRG and REI had separate compensation committees. The compensation committee of REI's Board of Directors was responsible for compensation matters of employees of REI, and the compensation committee of CRG's Board of Directors was responsible for compensation matters of employees of CRG. Certain executives provided services to two or more of the Company, REI and CRG. Accordingly, the Compensation Committee has historically considered compensation received from REI and CRG in determining the Company's executive compensation. The Summary Compensation Table sets forth the compensation paid to the covered individuals by all three

companies on a consolidated basis.

Our Company's current compensation strategy is to supplement the executive officers' base level compensation with periodic discretionary cash bonuses (predicated, among other things, on the financial condition of the Company), in recognition of individual performance, and stock option grants designed to link the executives' long-term compensation to appreciation in stockholder value over time. Compensation levels, including base salary, benefits, bonuses and stock option grants are designed to incentivize employees and to maintain executive compensation at the levels needed to attract and retain key employees. Initially, except in the case of Mr. James J. Cotter and members of his family, compensation decisions are made by Mr. Cotter, as the Chief Executive Officer of RII, CRG and REI, in consultation with the Compensation Committees of RII, CRG and REI and, in the case of compensation paid to individuals related to Mr. Cotter, with the approval of the Compensation Committee. Likewise, grants of stock options are typically recommended by Mr. James J. Cotter and reviewed by the Stock Option Committee. In the case of Mr. James J. Cotter, all decisions with respect to compensation are subject to review and approval by the Compensation Committee. In recent periods, in determining compensation to be paid to Mr. Cotter over and above his base compensation, the Company has sought the advice of an independent compensation consulting firm.

All bonus and other compensation decisions with respect to 2003 were made by Mr. Cotter. Upon the recommendation of Mr. Cotter, the following stock options were approved by the Compensation Committee and granted by the Company in 2003.

Name	Number of Securities Underlying Options Granted (#) ⁽⁴⁾	% of Total Options Granted to Employees in Fiscal Year	Exercise or Base Price (\$/Share)	Expiration Date	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term	
					5%	10%
Ellen Cotter ⁽¹⁾	75,000	53.2%	\$4.01	04/23/13	\$ 348,156	\$ 400,298
Robert Smerling ⁽²⁾	25,000	17.7%	\$4.01	04/23/13	\$ 163,297	\$ 260,023
S. Craig Tompkins ⁽³⁾	41,000	29.1%	\$4.01	04/23/13	\$ 267,807	\$ 426,437

Mr. Cotter continues to be compensated under an at will consulting agreement, pursuant to which he is paid \$350,000 per year. In addition, Mr. Cotter receives \$195,000 per year for his services as the Chairman of the Board of the Company, for an aggregate cash compensation of \$545,000. Mr. Cotter is reimbursed for certain out-of-pocket business expenses, and is permitted to make use of a condominium owned by the Company when he is in Los Angeles. Mr. Cotter does not currently participate in any of the Company's health, medical or retirement benefit programs. The cash compensation paid by the Company to Mr. Cotter (taking into account amounts previously paid to him by REI and/or CRG prior to the Consolidation), has not been increased for more than the past ten years.

On July 11, 2002, the Board of Directors granted Mr. Cotter the option to purchase up to 975,000 shares of our Class A Common Stock at the then market price for such securities of \$3.80 per share. These options have a limited three year term and must be exercised on or before July 10, 2005. In arriving at the decision to grant these options, the Board of Directors considered, among other things, the advice of Towers Perrin, a firm specializing in executive compensation matters. In 2003, Mr. Cotter surrendered options covering 50,000 shares, in order to make more shares available for stock options to other officers and employees of the Company. At the present time, Mr. Cotter holds options covering 1,062,500 shares of our common stock, representing approximately 65 percent of our Company's total outstanding stock options. The total of options outstanding is 1,633,300, representing approximately 7 percent of our Company's currently outstanding common stock.

The Compensation Committee did not conduct a review of our Chief Executive Officer's Compensation for 2003, having recently completed such a review in 2002. However, the Compensation Committee has determined that our Chief Executive Officer's base compensation for 2003 was in no way excessive, particularly given the expertise and experience that Mr. Cotter brings to our Company and the Company's results of operation for 2003. The Compensation Committee does intend to conduct a comprehensive review of our Chief Executive Officer's compensation this year, and in that regard has retained the assistance of an experienced executive compensation consultant. No decision has been made with respect to any bonus compensation for our Chief Executive Officer for 2003 or 2004, and the Compensation Committee may consider, among other things, our Company's results of operation for 2003 in connection with its more comprehensive review this year of Mr. Cotter's compensation.

Mr. Cotter has no employment agreement with the Company other than his "at will" consulting agreement, and has no golden parachute, retirement, severance or deferred compensation rights.

Periodic cash bonuses and stock option awards for executive officers of the Company are determined primarily on the basis of the individual job performance of the executive officers and achievement of the Company's business objectives, but no particular weighting is given by the Compensation and Stock Option Committee to individual performance versus the achievement of corporate objectives. These variable elements in the compensation of the Company's executive officers recognize individual contributions and are determined based upon the level of the executive's responsibilities, the efficiency and effectiveness with which he or she oversees the matters under his or her supervision and the degree to which the officer has contributed to the accomplishment of major tasks that advance the Company's goals. Additional compensation in excess of base salary is awarded on a complete discretionary basis when the individual is deemed to have contributed to the Company beyond the reflected in their base salary.

Subject to an exception for "performance-based compensation," effective January 1, 1994, corporations generally will be denied a deduction for federal income tax purposes for compensation paid to senior executive officers to the extent that such compensation exceeds \$1 million. This law did not impact the Compensation Committee's deliberations with respect to 2003. The Compensation Committee and the Board of Directors, however, retain discretion to authorize the payment of compensation that does not qualify for income tax deductibility.

Vote Required; Recommendation of the Board

The eight nominees receiving the greatest number of votes cast at the Annual Meeting will be elected to the Board of Directors. Mr. Cotter has advised us that he intends to vote the 1,023,888 shares of Class B Voting Stock under his direct or indirect ownership in favor of each of our nominees. Since this represents more than 50% of the outstanding Class B Voting Stock, if Mr. Cotter votes these shares as he has advised, then the nominees will be elected whether or not they receive the votes of any other holders of our voting stock.

THE BOARD RECOMMENDS A VOTE FOR EACH OF THE NOMINEES.

The presentation above reflects the fact that the options may be issued to acquire either Class A or Class B shares, up to an aggregate of 1,350,000 of both classes of stock, and the outstanding options cover, in aggregate, 708,300.

On July 11, 2002 the Board of Directors granted Mr. James Cotter options to acquire 975,000 shares of Class A Stock. On April 23, 2003, Mr. Cotter surrendered 50,000 of these options, unexercised. - exercise price: \$3.80 per share, payable in cash or through surrender of shares of Class A or Class B Stock or the surrender of appreciated options to acquire shares of Class A or Class B Stock;

Compensation Committee Interlocks and Insider Participation

Messrs. Gould, Laheney, Soady and Villaseñor serve on the Company's Compensation and Stock Options Committee. Mr. Cotter is our controlling stockholder, and holds the power to elect directors and to change the composition from time to time of the Board of Directors. Accordingly, all members of the Compensation and Stock Options Committee serve at the pleasure of Mr. Cotter. Also, Mr. Gould is a partner in Troy & Gould, a law firm which from time to time has provided legal services to our Company. During 2003, Troy & Gould was paid \$55,622 in fees by our Company.

Certain Transactions and Related Party Transactions

The Initial City Cinemas Transaction. In 2000, we acquired from Messrs. James J. Cotter and Michael Forman and certain of their affiliates (collectively referred to here in as "Sutton Capital") a chain of Manhattan based cinemas, known as the City Cinemas chain (the "City Cinemas Transaction"). In the

City Cinemas Transaction, we leased from Sutton Capital, under a ten-year operating lease (the "Operating Lease"), four cinemas, obtained certain management rights with respect to an additional six cinemas, and purchased the 16.7% minority membership interest in the Angelika Film Center that we did not already own. We also obtained certain options (referred to here collectively as the "Asset Purchase Option"), exercisable in 2010, to purchase the assets subject to the Operating Lease (including the fee interests underlying the Murray Hill Cinema and the Sutton Cinema) for \$48,000,000, and committed to lend Sutton up to \$28,000,000 beginning in July 2007 (the "Standby Line of Credit"). We paid an option fee of \$5 million for the Asset Purchase Option, which will be applied against the exercise price if the Asset Purchase Option is exercised.

Sale of the Murray Hill Cinema Property. In February 2002, we released our leasehold and option interest in the Murray Hill cinema (one of the Manhattan cinemas subject to the Operating Lease and the Asset Purchase Option) in connection with the sale of that property by Sutton Capital to a third party developer for \$10,000,000. Since the developer was only interested in acquiring all of the various interests in the property, and since neither we nor Sutton Capital had the right to unilaterally sell all of such interests, it was necessary for a transaction to be negotiated between ourselves and Sutton Capital to take advantage of this sale opportunity. Ultimately, agreement was reached, and we released our interest in the property. In order to reflect that release, the rent payable under the Operating Lease was reduced by approximately \$825,000 per year, the exercise price of the Asset Purchase Option was decreased by \$10,000,000 from \$48,000,000 to \$38,000,000, and the Standby Line of Credit was reduced by \$10,000,000 from \$28,000,000 to \$18,000,000. In addition, we received from the purchaser of the property the option to either (i) acquire a 25% equity interest in the development at the developer's cost or (ii) to receive an in lieu fee of \$500,000. Ultimately, we elected to take the in lieu fee of \$500,000.

Sale of the Sutton Cinema Property. In October 2003, we sold our leasehold and option interest in the Sutton Cinema (another one of the Manhattan cinemas subject to the Operating Lease and the Asset Purchase Option) to a third party developer for \$13,000,000 plus the option to either (i) acquire up to a 25% equity interest in the development at the developer's cost or (ii) to receive an in lieu fee of \$650,000. Sutton Capital simultaneously sold its fee interest in the property for \$5,000,000. Again, since the developer was only interested in acquiring all of the various interests in the property and since neither we nor Sutton had the legal right to unilaterally sell all of the various interests, it was again necessary for a transaction to be negotiated between ourselves and Sutton to take advantage of this sale opportunity. Ultimately agreement was reached and the \$18 million purchase price offered by the purchaser was allocated \$13,000,000 to ourselves and \$5,000,000 to Sutton Capital, the rent payable under the Operating Lease was reduced by approximately \$697,920 per year, the exercise price of the Asset Purchase Option was decreased by \$5,000,000 from \$38,000,000 to \$33,000,000, and the Standby Line of Credit was reduced by \$5,000,000 from \$18,000,000 to \$13,000,000. We also agreed to bring forward the earliest date on which loan monies could be drawn down under the Standby Line of Credit from July 2007 to September 2004. Sutton Capital has to date drawn down \$8,000,000 of the \$13,000,000 available on the Standby Line of Credit. It is currently anticipated that an additional \$2,500,000 will be drawn down before the end of the year, and that the remainder will not be drawn down until July 2007. Also, we agreed that if we do not exercise our Asset Purchase Option, all principal amounts outstanding under the Standby Line of Credit will be forgiven. On September 14, 2004, we acquired, pursuant to the exercise of our investment option, a 25% interest in the developer for a capital investment of \$2,232,500. The property is now being developed as a 35 story, approximately 105,000 square foot mixed use condominium project.

Purchase of the Cinemas 1, 2 & 3 Fee Interest. In August 2004, we entered into an agreement to purchase from a third party the fee interest in the land underlying our Cinemas 1, 2 & 3 property (another one of the Manhattan cinemas subject to the Operating Lease and the Asset Purchase Agreement, and

referred to here in as the “3rd Avenue Cinema”). The purchase price is \$12 million. We are currently in negotiations with Sutton Capital to try to unite the various ownership interests in the 3rd Avenue Cinema held by Sutton Capital and ourselves in a single entity, that would be jointly owned by Sutton Capital and ourselves. Although any such transaction will be subject ultimately to the review and approval of our Audit and Conflicts Committee, we have discussed with our Board of Directors and reached an agreement in principal with Sutton Capital pursuant to which we and Sutton would contribute our respective interests in the 3rd Avenue Cinema to a new limited liability company, in which we would have a 75% managing member interest and Sutton would have a 25% non-managing member interest. The details of the transaction, for example whether some portion of the Sutton Capital interest in the 3rd Avenue Cinema would be contributed in exchange for a preferred interest in the new limited liability company or purchased for an installment sale note, have yet to be worked out, and the entire project is currently a work in progress.

OBI Management Agreement. Our live theater operations are managed by OBI Management, which is wholly owned by Margaret Cotter, the daughter of James J. Cotter and one of our directors, pursuant to a theater management agreement (the “Management Agreement”).

The Management Agreement generally provides that we will pay OBI Management a combination of fixed and incentive fees, which historically have equated to slightly less than 20% of the net cash flow from our live theaters in New York. Since the fixed fees with respect to our New York theatres are applicable only during such periods as they are booked, OBI Management receives no compensation with respect to our New York theaters at any time when they are not generating revenues. We believe that this arrangement provides an incentive to OBI Management to keep the theaters booked with the best available shows, and mitigates the negative cash flow that would result from having an empty theater. For its management services for the Royal George Theater Complex in Chicago, we pay OBI Management a flat \$35,000 fee, plus reimbursement of travel-related expenses for travel between New York City and Chicago. We paid OBI Management \$422,000 with respect to 2003 and \$477,000 with respect to 2002 for its management services with respect to our New York and Chicago theaters. By comparison, in the year immediately prior to our acquisition of the New York Theaters, the prior owners paid approximately \$385,000 for management services with respect to the three New York theaters.

OBI Management operates from our offices in New York City on a rent-free basis and we share the cost of one OBI Management administrative employee located at those offices. Other than these expenses and travel-related expenses for OBI Management personnel to travel to Chicago as referred to above, OBI Management is responsible for all of its costs and expenses relating to the performance of its management functions. The Management Agreement will expire on December 31, 2005, but will renew automatically for successive one-year periods unless either party gives at least six months’ prior notice of intention to allow the Management Agreement to expire. The Management Agreement is terminable at any time by the Company for cause.

Prior to the time we acquired our New York theatres in 2000, these theaters were managed by Union Square Management, Inc., a company in which Ms. Cotter was employed, but which was owned by parties unrelated to Mr. Cotter. OBI Management took over management of the New York theaters live theaters shortly before we acquired them, and from the time of that transaction until March 13, 2003, OBI Management provided such management services on an “at will basis” and on generally the same terms, including terms related to compensation, as such services had previously been provided by Union Square Management, Inc. Accordingly, our Conflicts Committee took into account the cost of this management structure at the time it approved our acquisition of these theaters.

The current Management Agreement was approved by the our Audit and Conflicts Committee on March 13, 2003, and has been applied retroactively to January 1, 2002. The Management Agreement is substantially similar to the prior owner's arrangement with Union Square Management, Inc., except that:

- it has been expanded to include the management of the Royal George Theater Complex on a flat-fee basis;
- the cost of any new capital improvements to the New York theaters will be amortized over the life of those improvement consistent with Generally Accepted Accounting Principles for purposes of calculating net cash flow from the theaters rather than being expensed in the year incurred; and
- in those cases where we assist in the financing of plays appearing in our theaters, any profits and losses to us resulting from such financing will be factored in by calculating theater cash flow for purposes of determining OBI Management's incentive compensation.

Investment in Live Theater Production. During the second quarter of 2002, the Company invested approximately \$85,000 for a 25% interest in Liberty Theatricals LLC formerly known as the I Love You Productions Joint Venture. Sutton Hill Capital, LLC, which is owned 50% by Mr. James J. Cotter (the Chairman of the Board and Chief Executive Officer of Reading), also made a 25% investment in Liberty Theatricals LLC. Liberty Theatricals LLC hosted a production called "I Love You, You're Perfect, Now Change" and has distributed to the Company approximately \$102,000 allowing the Company to fully recoup its initial investment.
