**Consolidated Theatres Helps Local Shelter Celebrate the Holidays with
a Day at the Movies, December 23**

*Two hundred residents and staff from The Next Step Project
will enjoy a special screening of one of this season's hottest new films*

HONOLULU, HAWAI'I – This year, Consolidated Theatres is celebrating the holidays by giving a gift that doesn't fit into a box or bag. On December 23, the company will partner with a local transitional shelter, The Next Step Project, to host the entire shelter for a special screening at Consolidated Theatres' Ward 16.

“We are so grateful to Consolidated Theatres for providing this rare treat for our members this holiday season,” said Max Gray, program coordinator at The Next Step Project. “We have some residents – from children to adults -- who have never been to the movies before. For many of them, this opportunity is truly a priceless gift,” Gray added.

Additionally, Zippy's will donate breakfast bentos for participants to enjoy prior to the movie.

“Zippy's has always been committed to supporting the community – particularly Hawai'i's youth and families – and we are truly excited to be able to participate in this great holiday event,” said Charlene Kim, administrative director for Zippy's Restaurants.

During the movie, guests will also enjoy snacks from the concession including popcorn, drinks and candy provided by Consolidated Theatres.

“For our guests, the most magical quality of a visit to the movies is the opportunity to forget any worries, and at least for an hour or two, allow themselves to be transported to another world,” said Rachel Gibson, Consolidated Theatres’ promotions and events manager. “The Next Step Project does such important work for the island’s homeless community. We are truly thrilled to work with their team and offer their residents a small opportunity to just sit back and enjoy the holiday season.”

The Next Step Project is a local emergency shelter located in Kaka‘ako, which houses 200 men, women and children. In partnership with the Waikīkī Health Center Care-A-Van program the shelter works to empower residents through social services, including assistance with employment, housing and counseling.
